Subject: Product Field Trial

NP16-7401 ACE FIBER HMA & WMA
By: Surface-Tech

Dear Mr. Cruz:

This letter is to notify you that the North Carolina Department of Transportation has reviewed your product **NP16-7401** ACE FIBER and decided a field trial would be best to further evaluate your product. It will be your responsibility to coordinate with awarded contractors and the NCDOT Division offices on appropriate project locations to have the referenced product placed for evaluation. Field trial evaluations are required to be placed for at least one year prior to the final report. Please submit a final report regarding the product's field performance on NCDOT projects to this office.

Until such time as we receive feedback on its performance and it is further reviewed by the Department, your product will have the status of "**Accepted for Field Trial Use**".

Please do not hesitate to inform us of any other products that may benefit the Department. If you have questions or comments, I may be reached at 919-707-4808 or via e-mail at: productevaluation@ncdot.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Ben Johnson".

Ben Johnson, PE
Value Management Program Engineer
